Crossover the cycle path on Goldsmiths Row and head down the cobble path entering into Hackney City Farm.

Pass through the main farm gates - if these are locked then please press the Fonic buzzer on the left wall to call us.

Carry on round the cobble path towards the back of the main farm building and then take a sharp left. Walk up the ramp along the back of the building to the farm green backdoor. Entering through the backdoor, the Fonic intercom/entrance buzzer is on your left.
